#### ***SCHOLARSHIPS:***

- All financial aid applications must be done electronically using the FACTS assessment tool which is available on-line at [www.factsmgt.com](http://www.factsmgt.com) The cost for this assessment is \$40 per family per year.
- The school board believes that this impartial tool will help us better assess the needs of our families while protecting their financial integrity. We begin to assess scholarships in June.
- Failure to complete the FACTS process prior to the start of the first day of school may result in no available assistance. While there are no guarantees of scholarship assistance, we will work with each family once the financial assessment has been completed if there are questions regarding eligibility.
